

SoftDent Software

Installing CDT 2025 Codes

This one-page job aid contains instructions for using the CDT 2025 Update Utility to update the CDT codes in SoftDent practice management software and is intended for users running SoftDent, v19.1.3 and higher.

Note: If you are using a version of SoftDent prior to v19.1.3, you must upgrade or add the codes manually.

To install the 2025 CDT codes:

- 1 Close SoftDent on all machines.
- 2 On the server, click this link: <https://gosensei.com/pages/support-softdent>.
- 3 Scroll down to the **SoftDent CDT Codes Update** section.
- 4 Download the utility by clicking the link provided.
- 5 Right-click on the **SetupCDTCodes.zip** file, and unzip the file to a temporary folder or the desktop.
- 6 Double-click the **SetupCDTCodes.exe** file.
- 7 At the first prompt, click **Run** or **Yes**.
- 8 Double-click on the **Install 2025 CDT Codes** icon on the desktop.
- 9 Read and accept the **End User License Agreement**. A message is displayed when the codes have been installed successfully.

When the CDT 2025 codes are installed:

- Ten new codes are added to the database.
- Twelve codes have revisions.
- Two codes are deleted from the database.

If you have issues during the CDT code set installation, contact a Carestream Dental Support representative at <https://gosensei.com/pages/support-softdent>.

Note: No changes have been made to the ADA form; you can select the **STANDARD ADA FORM 2024** from the **Insurance Forms Selection** window.
